Medical Guardians play a significant role in ensuring a safe and memorable experience for each veteran. The role of the Medical Guardian on each flight is observation, basic first aid, and safety. If a Veteran or Guardian needs medical care beyond basic first aid, they will be transferred to a hospital via ambulance. The Medical Guardian must have a strong clinical background in triage and/or acute care. Each Medical Flight Team consists of 10-13 team members (MD, DO, APN, RN). We have more Medical Guardian applicants than we have seats available. For further information, please contact us at 773-227-VETS (8397) or find us at www.honorflightchicago.org.
